

STANDARD DRESS CODE

All articles of standard dress are to be worn properly. All shirts are to be tucked. The slacks and shorts that have belt loops must be worn with a solid leather belt, or PHA logo belt. No ornamental, oversized, or unusual buckle will be allowed.

The only items which may be worn un-tucked are the girl's white over-blouse, sweatshirts, sweaters, and the fleece jackets and vests. All shirts and blouses must be buttoned completely, except for the top button. Shorts, skirts, or skorts must not be more than 4" above the knee. K3 – K5 are not required to have shirts tucked.

Students may wear long-sleeve shirts under their short-sleeve uniform shirts. These shirts must be a neutral color (white, gray, maroon, gold, navy blue, khaki, black).

UNIFORM BOTTOMS

Khaki and Navy uniform bottoms (pants, shorts, skirts, skorts, etc.) must be khaki/tan (not brown, off-white, etc.), or navy blue (not light blue, etc.). Jean material of any color is not allowed.

Not Allowed: Cargo or carpenter pants/shorts of any kind. No embroidery, glitter, or frayed trim on any clothing. No jeans, denim, or corduroy of any kind. All uniform bottoms (pants, shorts, skirts, skorts, etc.) must be worn at the natural waistline (no hip huggers).

JACKETS, COATS

During winter months or severe cold, outer jackets and heavy coats of the student's choosing may be worn to school. However, those outer garments not on the approved list must be removed upon entering the school building and placed in the locker for grades 5 -12. The only exception to this rule is for children in K3 – Grade 4 who go outside to the playground on a daily basis. They may continue to wear heavy coats or jackets.

There is certain outerwear which has been approved. Those items are the PHA letter jackets purchased by athletes and fleece jackets with the PHA logo. These are the only items grandfathered into the standard dress.

If the jackets/coats have hoods, hoods may not be worn on the head in the building. Attire worn under the jacket must meet the PHA dress code.

HATS

Hats are not allowed in the building during the school day.

SWEATSHIRTS, HOODIES

Crew Sweatshirts embroidered with the school crest or PHA monogram are the only approved sweatshirt. Hoodies and sweatshirts with pockets are not allowed.

SHOES

Colors and designs of shoes should not be distracting to the learning process and must be closed-toe. Dress sandals may be worn during warm months. All sandals must have straps that cross the top of the foot horizontally and a back strap. No stacked soles will be allowed. The heels cannot exceed 1 ½ inches and the sole cannot exceed 1 inch. Flip flops, slides and cleats are not allowed.

HAIR

Boys and girls must have their hair neat and well groomed. Boys may not have facial hair or long sideburns. Boys hair should be cut neatly, not covering the eyes, and must not touch shirt collar or the sides or be longer than the earlobe as it naturally falls. No extreme haircuts or colors for any students.

PIERCINGS/TATTOOS

Students may not have body piercing or tattoos. Boys may not have pierced ears.

ATHLETICS

The football team may wear their jerseys over a t-shirt and cheerleaders may wear their uniforms only on the day of their game. Athletic teams and cheerleaders may wear their uniforms to events where no dressing facilities are available for them to change. When team travel does not require the athlete to be already dressed in his/her uniform, Team warm ups may be worn to and from sporting events.

REPRESENTING PHA AT OFF-CAMPUS ACTIVITIES

When students are representing PHA at off-campus activities (academic competition, field trip, etc.), the teacher/sponsor will ensure all students are dressed in a manner that best-represents our school.

SPECIAL PROVISIONS

Special provisions or exceptions to the school uniform, such as Casual Day, Homecoming Week, and other special occasions must have approval from the Headmaster.

SCISA DRESS CODE

Students representing PHA at SCISA events will follow the SCISA Dress Code. SCISA prefers dress clothes for young ladies participating and ties for young men participating in SCISA Student Activities. Jeans, shorts (including uniform shorts), and flip-flops are not permitted.

CASUAL DAYS

Casual days usually occur twice a month, and a nominal fee is associated with the privilege of wearing casual attire. These fees will be donated to school funds.

Permitted: Shorts, jeans, t-shirts that conform to standards of modesty and decency, casual footwear.

Not permitted: Cargo pants/shorts, flip flops, beach sandals, sweat pants, athletic shorts/pants, hats, hoodies, tank tops, low cut tops or dresses and cut off shorts.

Dresses, shorts, and skirts must not exceed the 4-inch rule listed in the day-to-day attire. If it is in question, do not wear it to school.

****Covering every problem that might arise with dress and grooming in written form is impossible. The Headmaster can, at any time, require that a student change his or her grooming or dress if he deems it inappropriate. ****
