

ONLINE COURSES

In cases when a student must have a particular course that does not fit into his/her schedule, is transferring into the school and needs to continue a particular course of study, needs to make up credit for a failed course, or wishes to pursue advanced classes that are not offered at Patrick Henry Academy, online classes present a potential solution. The following rules apply:

- Online classes may not be taken in replacement of or in lieu of classes offered at PHA.
- For a student to receive credit for an online course, it must be approved by the school directors prior to enrollment.
- PHA will grant credit according to the SC Uniform Grading Scale.
- The sponsoring agency must be an accredited institution. The school reserves the right to refuse any online program when it believes the course does not meet the school's standards for content and rigor.
- Parents are responsible for tuition and fees charged by other educational institutions. All fees assessed by external institutions will have no impact on a family's financial obligations to PHA.
