

# First Grade Summer Reading!

Hi! My name is Susan Mikell and I will be your child's first grade teacher. I am looking forward to a great school year beginning in August! The students have three simple graded summer assignments to turn in to me at registration or on the first day of school.

## ASSIGNMENT #1(Bingo)

Let's play Bingo! Have your child select and complete five (or more!) boxes from the grid. Have your child mark an X on each completed box. Bingo! ☺ Parents may read to the child, the parent and child may read together or the child may read independently.

## ASSIGNMENTS #2 and #3 (Book Reports)

Students should choose **two** favorite books and complete the book report forms that are provided. Any book that a child wants to complete a book report on is fine. The book reports are not limited to the titles and authors on the Bingo sheet.

Happy reading and have a safe and joyous summer! ☺
