Summer Reading Packet
Third Grade

Congratulations! You are ready for third grade! You have learned many things about reading in second grade. This packet has some fun books for you to read this summer. The goal of summer reading is to enhance the skills learned throughout the previous school year, and to prepare you for the third grade Curriculum. It's important to continue reading for fun. Reading for fun helps you learn new words and discover new things. It helps you make your reading sound good too. It's good to read some things by yourself, and it's fun to listen to your parents read too. Don't let them forget that it's important to make time to read like you did during the school year with your homework. Enjoy your summer filled with many experiences with your families. See you in August!
