Parents,

My name is Loribeth Smith and I am so excited to be the new school nurse for Patrick Henry Academy. I have been a parent in this school for the past two years and currently have three children in attendance. I graduated from the University of South Carolina with a Bachelor's in Nursing. I am a Registered Nurse currently working part time at Beaufort Memorial Hospital and Colleton Medical Center on the weekends.

My school hours will be, Monday-Friday 10:00am-2:30pm.

If your child has a medical condition, allergies, or any type of health concern that you would like to discuss with me, please email or call me. I am happy to discuss your child's needs and plan of care while at school.

I have a supply of over the counter medications and basic first aid necessities in my office. If your child is treated while at school, I will contact you for confirmation. If your child needs prescription medication, I need an authorization form on file.

My goal is to team with you to ensure your child's health and safety while he/she is at school. Please do not hesitate to contact me if I can be of any assistance!

Respectfully,

Loribeth Smith, RN, BSN
