

# First Grade Summer Reading!

Let's play BINGO! Have your child select and complete eight (or more!) boxes from the grid. Have your child mark an X on each completed box. BINGO! Parents may read to the child, the parent and the child may read together or the child may read independently.

Student may choose two favorite books and complete the book report forms that are provided. Any book that a child wants to complete a book report on is fine. The book reports are not limited to the titles and authors on the BINGO sheet.

Please return the book reports and BINGO sheet on the first day of school in August. This is a graded assignment.

Happy reading!

1<sup>st</sup> Grade Summer Reading BINGO

Name\_\_\_\_\_
